

Technical Visit

BIM Awareness Seminar and Workshop 2.0

30 November 2019 (Saturday) 9:30 am to 12:30 pm

To promote the awareness and understanding of Building Information Modelling (BIM), CIHT has organized a technical visit to CIC BIM Space for the CIHT members.

The content of the "BIM Awareness Seminar and Workshop 2.0" has been upgraded with hands-on experience on BIM software and related technologies. Participants would also have opportunities to understand various BIM applications at different stages of the project lifecycle.

Itinerary – The technical visit will begin with a hands-on workshop, then follow with the guided tour and experience some latest technologies as well as an update of BIM development in Hong Kong.

Registration – The number of participants is limited to 25. Members wishing to join the visit are requested to complete **ONLINE APPLICATION** by **25 November 2019 (Thursday) noon**. It will be on a first come first served basis with priorities given to members of the Institution. Applicants are required to note that neither the Institution nor the parties concerned accept any liability in connection with the visit. *(Please note that an applicant will be banned for participating 3 consecutive visits if he/she fails to show up after successful registration.)*
