Site Visit Itinerary

The participants would be furnished with a presentation of project brief and followed by a site walk introducing the construction status and actual site. The arrangement of site walk might vary subject to the site condition on the day of visit.

Registration

The number of participants is limited to **25**. Members wishing to join the site visit are requested to complete **ONLINE APPLICATION by 14 August 2017 noon**. It will be on a first come first serve basis with priorities given to members of the Institution. Applicants are required to note that neither the Institution nor the parties concerned accept any liability in connection with the visit. *(Please note that applicant will be banned for participating 3 consecutive visits if one fails to turn up after the successful registration)*

Assembly Place

9:00am at Fanling

(Location Map will be sent out together with the confirmation email.)

Protective Equipment & Safety Arrangement

Visitors must put on their own safety shoes, safety helmet and reflective vest for this visit. Late comers or persons not wearing proper PPE will not be entertained.

For enquiries, please contact our coordinator at 9659-3307 or email to michael.wong@gammonconstruction.com

The site visit is considered as Continuing Professional Development activities.

However, the granting of CPD day is entirely up to the discretion of the "Engineering Supervisor".
