

Site Visit

Hin Keng Station, Shatin to Central Link

Date and Time: 15 September 2018 (Saturday) 9:00am to 12:00pm

Project Introduction

The Shatin to Central Link (SCL) will connect several existing railway lines - Tai Wai to Hung Hom Section will connect the West Rail Line and Ma On Shan Line to form Tuen Ma Line, while Hung Hom to Admiralty Section will extend the existing East Rail Line from Hung Hom across the harbour to Hong Kong Island. The SCL will have 10 stations. Six will be interchange stations where passengers can conveniently change to other railway lines.

Since the commencement of further planning and design in 2008, the Government established that the addition of Hin Keng Station will relieve congestion at Tai Wai Station and recognized the need of railway service for the residents of Hin Keng area. Hin Keng Station is therefore added to the project.

Hin Keng Station will be an elevated station situated to the southwest of the former Agriculture, Fisheries and Conservation Department New Territories South Animal Management Centre, the former Shatin Plant Quarantine Station and Hin Tin Playground.
